# Olympian's Dainty Rose

13.2 hand 9 year old mare

Outstanding top of the line medium pony mare. Has been brought along slowly and carefully, but has been a true child's pony from the beginning. "Maddy" is the total package—she has a huge stride, is the hack winner, models well, and jumps a "10" every time. Limited show budget is reason for light AA show schedule, but was Champion at Brownland Nashville Country and Tryon Summer 4, and won the Green Pony classic at both. Qualified for the 2016 Pony Finals and qualified her rider for the 2016 USEF Pony Medal.
